

Birtle firefighters kept busy handling grass fires

The Birtle Fire Department was kept busy last week as firefighters responded to three fires in the area.

On Tuesday, Apr. 19 firefighters attended to a small grass fire in the south

end of town.

On Friday, Apr. 15 firefighters extinguished a small grass fire at the nuisance grounds around 4 p.m. No damage was reported.

Also on the 15th, the Fire

Department was called to the farm of Norman Leschasin when some hay bales in a small cattle shelter caught fire and were destroyed during the early evening hours.

Hats off to the Birtle Fire Department! We appreciated your quick action and are very grateful.
