Smoke Detector Credited In Local Fire

Birtle Fire Dept. was called out on Wednesday, May 30th at 3:00 a.m. to a fire in the attic of the home of Phyllis Talbot.

The fire was extinguished and damage was contained to a small portion of the attic and one wall of a bedroom.

Smoke detectors installed in the bedroom area are credited to waking the occupants and avoiding casualties.

The members of the Birtle Fire Dept. wish to thank Kathy and George Dvorak of the Birtle Bread Box for the coffee and toast served to us at 5:00 a.m. This was really appreciated!
